BIG BANQUET PLANNED FOR LAW MAKERS

BOARD OF TRADE WILL SHOW THEM HIGH LIFE IN A WET PRECINCT

The banquet to be given the members of the legislature by the Salem Board of Trade has been set for Wednesday evening, February 3. The place has not yet been decided upon, but it will be at the Willamette hotel

or the armory, and will be a two-dollar-a-plate affair. There will be a talkfest and a general jolly good time. The city of Salem will put its best foot forward, and the solons will have the best time of their lives.

River at a Standstill—

For a time last night it was thought Salem would have another mantle of the beautiful, as the wind, blowing from the northeast, brought with it fine flakes of snow, and the temperature continued to fall until the 32 above mark was reached. The wind veered to the south, however, and rain took the place of snow. The river here is now about on its last legs, as far as rising is concerned, and last night it raised but one inch. Owing to the cooler weather, and the letting up of the rains, the river will probably go down to its normal stage within a few days.

LABOR CONVENTION STANDS BY LEADERS

(United Press Leased Wire.) Indianapolis, Jan. 22.—At the convention of the United Mine Workers of America, the delegates voted to appropriate \$2500 to the fund being raised for the defense of John Mitchell, former president of that organization; Samuel Gompers and Frank Robertson, the labor leaders, who were sentenced to imprisonment by Justice Wright. Mitchell appeared on the floor of the convention simultaneously with the passage of the measure, and a scene of the wildest enthusiasm resulted. Mitchell, Gompers and Morrison were found to be in contempt of court by Justice Wright, and an appeal is pending before the United States supreme court for a reversal of Justice Wright's decision.

SWIFT BUYS PLANT IN BRITISH COLUMBIA

(United Press Leased Wire.) Vancouver, B. C., Jan. 22.—It is stated here today that the Swift Packing Company, of Chicago, has bought out the plant of the Fraser River Cannery Company, New Westminster. It will be operated in connection with other Swift interests by a large new company. Mr. E. J. Fader promoted the scheme.

Are You One of Them?

The house wife who has been lured to buy a phosphate baking powder by grocers or canvassers will be somewhat chagrined to learn that this character of goods is made from burned bones mixed with diluted oil of vitrol.

It seems that there is no law compelling these long-shot boys to print the ingredients on the can, and hence the consumer is easily deceived. Goods of this class cost very little to manufacture—about 3 or 4 cents per pound not much more than the price of the bone or alum from which they are made.

We had upon investigation that the only real baking powder is made from cream of tartar and soda and a small per cent of starch to add to its keeping qualities. All the good brands have the ingredients printed on the label. 1-13-eod

MARION CIRCUIT COURT HAS A VERY BUSY TERM

Department No. 1 of the circuit court has adjourned until the first Monday in April after threshing out 40 cases and setting several more for the next regular term. The jury cases this term of court numbered double those of last term, 19 jury trials being disposed of, where last term only eight cases came before the regular jury.

Following is a memorandum of the cases disposed of at the January term of court and the matters continued until further notice: Russell Catlin and J. R. Linn vs. S. W. Jones, continued by consent; State vs. Henry Corcoran, continued; State vs. Arthur Hatchman, still at issue and report of conduct filed; Southern Pacific Co. vs. L. H. Heckman, verdict and judgment in favor of defendant; U. G. Knightlinger vs. J. P. Calbreath, continued; A. Jettl vs. J. E. Smith et al. continued; D. C. Smith vs. Black Eagle Mining and Milling Co., non-suited; W. D. Claggett vs. C. W. Yankke, settled; Margaret St. Martin vs. H. L. Sagavold, judgment for plaintiff; Brooks Bros. vs. T. E. Preston, continued; Henry Gillicksen vs. Henry Hubbard, continued for service; S. Blumauer and Eugene Hoch vs. J. H. Daley, continued by consent; M. Christensen vs. D. Morgan, et al. verdict in favor of defendants; State vs. Frank Van Vlack, case continued; W. S. Mott vs. Samuel Casto, settled; H. S. Radcliffe and C. W. Scott vs. Margaret Belle, verdict and judgment for defendant; Krebs Hop Co. vs. T. A. Livesley Hop Co., judgment in the sum of \$7600 in favor of the plaintiff; S. E. Peck vs. Julius G. Voget, judgment in favor of plaintiff, \$350; Fred Fogel vs. Antone Poeppin, verdict in favor of defendant with costs and disbursements; State vs. William J. Davis, continued; C. A. Rockhill vs. A. A. Engelbart, favor defendant; Eljits and Wood vs. L. Barnard, verdict in favor of plaintiff for \$55 costs and disbursements; State vs. C. Y. Timmons, murder, death sentence; State vs. Homer Black, criminal case, 10 years in the state penitentiary; State vs. C. Yashito, criminal case, deported to his native country, Japan; State vs. W. O. Peery, criminal case, sentenced to one year in penitentiary; State vs. W. D. Adams, criminal case, sentenced to four years in penitentiary; G. A. Webb, vs. J. M. Wolfard, judgment for plaintiff in sum of \$360.

Ambrose Brooks vs. Perry Burch et al. dismissed. The department No. 1 docket is fairly well cleared up, and with probably a session or two of adjourned terms, the court will be out of work unless other new cases come forward, which in all probability they will.

The circuit court in department No. 2 will convene with Judge Galloway on the bench Feb. 2.
